

2011 HACU Capitol Forum Sponsorship Opportunities

Each spring, advocates for the higher education success of the nation's youngest and largest population group gather in Washington, D.C., to shape and promote an agenda for Congress and the country at the annual HACU Capitol Forum.

Leaders of HACU member and partner colleges and universities join public policymakers, key federal agency leaders, allied organizations, corporate, community and philanthropic representatives at what has become a powerful national platform for winning public- and private-sector support for Hispanic higher education. Key to these strategic forums are annual visits to Capitol Hill, which allow leaders in the Hispanic higher education community to interact directly with key members of the House and Senate.
